This is the story of a school, some books, a faculty; but more important, it is the story of a year in the lives of 3000 students. As your eyewitness to a year, the 1960 Orange Blossom is a record in words and pictures; it focuses on the sights that were seen, the things that were done during the past two semesters at San Fernando High.

The senior glade at noon-time, an empty hallway after school, the cafeteria at lunch — all these are sights firmly fixed in our memories, images we shall never forget. As influences, the administrators, teachers, and student leaders have guided us, helped us to make wise program choices, to learn our subjects well, and to fit into student body life.

The most important activities in which we have participated during the school year are the ideas and actions in preparation for understanding the world around us, for participating in society as worthwhile citizens, for enjoying music and the visual arts, and for earning a living in future years. The climax of activity each semester is the flurry of senior functions which culminates in the chapel and graduation ceremonies—summit of the school year.

This book is organized according to basic activities common to all high schools. Still, it presents them in a way which distinguishes this school from all others, this past year from those gone by. This book is a record in words and pictures, your eyewitness to a year. In it, we hope to recapture for you: San Fernando High, 1960.

influences

At home our personalities are influenced by parents, family and friends. But the majority of our waking hours are spent at school where we are subjected to many other strong shaping factors. Teachers instruct us; counselors guide us; student leaders govern us. Our school is the society in which we move, and our teachers, administrators and student leaders are therefore important **influences** in our lives.

It's hard writing to a sister, but you are not only a sister, but a girlfriend besides. I have really had fun with you this semester. It seems every semester we get closer and we are better friends (and sisters) and confide in each other more and more. I hope your whole life will be happy, Debbie, and I'm really sorry about you and Rodney believe me. I know we have had our little disagreements, but believe me I didn't mean them. I have tried to help you the best I could, and I want to really thank you for all your help. Without you I would have been left in the dark plenty of times. It has been so much fun with you and Ginger after school, and you have both taught me so many things. Thanks so much again for everything. Please don't ever be mad at me, because I don't mean to be mean to you. I say so many things without thinking. I hope throughout our whole lives we will become closer each year. You are really sweet people should get to know you better and see how sweet you really are. Don't be so self-conscious because there is nothing to be self conscious about. You have so many things I lack.

I love you (Bubbles)

DEDICATED. A word which aptly describes our Principal, Mr. Malcolm MacDonald. Many years of dedicated service at San Fernando High School have rewarded him with the respect, trust, and friendship of student, teacher and administrator alike.

Through the years as an instructor and administrator at Tigerville, Mr. MacDonald has seen many changes and innovations. Many of them are due to his earnest and persistent efforts.

We salute you, Mr. MacDonald, for your past achievements and the leadership that will continue to build San Fernando's reputation as an institution of the highest academic ideals, athletic excellence, honor and spirit. And with pride we dedicate this volume to you.

WORKING WITH VARIOUS community organizations is part of the duties of Mr. Herman W. Adams, Boys' Vice-Principal.

MISS BARBARA MORRIS, Girls' Vice-Principal, works closely with those planning school social activities.

LEADING OUR EFFICIENT counselling staff is Mr. Gordon Pheley, Head Counselor.

administrators point the way

BESIDES WORKING HARD to keep our school running smoothly and efficiently, the Administration promotes better school-community and inter-student relations. Never too busy to guide and assist, the members of our Administration are friends of all. Their optimistic, progressive attitudes have made them recognized leaders of a growing school which serves a growing community.

SERVING CAPABLY in his first year as Registrar at Tigerville, is Mr. John Welch.

AS BUSINESS MANAGER of the school, Mr. Charles Martin supervises all Student Body activity funds.

clubs contribute to growing library

OUR DEVOTED head librarian, Miss Mary Springer, has helped to make our library one of the best in the Valley; she was assisted this year by Mrs. Odette James.

FOR A NUMBER OF YEARS our two French clubs, Le Cercle Francais and Le Petit Cercle Francais, have contributed books to our library. More recently, the Radicals have begun a similar practice. Our growing library now numbers over 10,000 volumes. In addition, the school subscribes to 125 periodicals.

This past year over half of our student body participated in a library skills test, the results of which will aid teachers in meeting student needs.

THE CAFETERIA WORKERS provide good lunches for hundreds of students each day. Standing: Mrs. B. Leggett, Mrs. O. Lathen, Mrs. J. Logan, Mr. J. Lupinetti, Mrs. A. Butler, Mrs. O. Robbings, Mrs. M. student government follows national organization

STUDENT GOVERNMENT at San Fernando is much like our national government. It is composed of three main branches: executive, legislative and judicial.

The Student Body Cabinet has powers similar to those given the President of the United States and his Cabinet. This executive branch is led by the Student Body President. Cabinet meets daily during sixth period to solve problems of the student body.

Similar to Congress is the Board of Representatives and the Advisory Board. Headed by the Student Body Vice President, the Board of Representatives, the finance board of our school, consists of representatives from each class. The Advisory Board consists of the president, vice president and secretary of each class. The purpose of this board is to build class spirit.

The judicial branch includes the Student Court and Ethics Committees. The boards implement standards of discipline set by Cabinet. They are assisted in their work by Student Service.

constitution revised by summer cabinet

SAN FERNANDO is especially proud of its Student Body Government, recognized as one of the best in the city. The cabinet presided over by President Keith Snyder, worked on many projects during Summer 1960. It conducted elections, revised our constitution, and planned most of our school assemblies.

The Advisory Board and its chairman, Nancy Endow, dealt conscientiously with all the problems brought to them by the different classes. Working hard to promote the general welfare of the Student Body was the Board of Representatives with Vice President Lee Camp as its chairman.

EPHEBIANS TAKE OATH at graduation: David Jimenez, Carol Hand, Grace

THE SARACEN CLASS really began on a day in February, 1957 when you and San Fernando High first met. That semester you chose the very capable Donna Cole to be your leader. Three semesters later, when you and Tigerville had become better acquainted, you decided on Linda Shibuya to lead your class. At this time you decided on a class name and color.

Do you remember February 27, 1959? On this day, with Carol Hand as your new president, you revealed the beautiful sweaters of Persian melon and your banner bearing the name: SARACENS. It was Carol Hand who worked together with the Avalons to purchase the Victory Bell.

SENIOR CHALLENGE DAY . . . and the SARACENS win again.

OFFICERS assisting president, Bill Burwell were: Julia Fields, secretary; Harold Fleishman and Patricia Smith, representatives; Randye Newman, Vice-president.

And past president Linda Shibuya, as prom chairman, directed the preparation of the Senior Prom, "Once Upon A Dream."

You'll never forget that whirlwind A12 semester with Bill Burwell, president. After many changes of hands you finally regained the Victory Bell to be held for the remainder of the semester. Carol Hand was chosen Prom Queen at the W'60 Prom, "Scheherazade," presented by the Ultrasons and your stay at San Fernando was drawing to a close.

Finally, graduation arrives, and with laughter and tears, the last day of high school.

Dave Matta, Ultrason class president, led his class through an exciting first semester.

Charlotte Chalmers, Michelle Najarian, Pat Garner, Jim Harrington, Pati Cole, and Kathy Chavez served as Ultrason class yell leaders.

ultrasons

As the ULTRASON class bid farewell to San Fernando High School, it took a fond look at its past. Linda Dalton, B-10 class president and Gary Ludwig, A-10 class president led the ULTRASON class through its first year at San Fernando High School. As enthusiastic B-11's, their class leaders were Pat Garner, president; Rose Hazuka, vice president; and Charmy Farnon, secretary. That year, with the help of the Saracens, they presented one of the most spectacular Christmas Dances ever. Proudly, the class name—ULTRASONS—and the color—electric blue—were announced in the A-11 semester. Zen Takahashi was then serving as class president, working with Leah Cartabruno, vice president and Jeri Van Deest, secretary.

The senior year arrived with a great disappointment. Dave Matta, B-12 class president, had to announce that the ULTRASON class would not receive their sweaters in time for the Sweater Assembly. At the Sweater Assembly, every member of the B-12 class marched in wearing white.

The feeling of being a senior came to all ULTRASONS as they showed their class spirit at the Senior Challenge and Senior Sports Night. When the sweaters arrived, a week after the sweater assembly, the class celebrated by invading Disneyland in a wave of electric blue. Finally after working all semester, Janice Derrough, prom chairman, with the help of many others presented the prom, "Scherhazade", in honor of the Saracen class. Helping Dave Matta, class president were Diana Reed, vice president and Jane McKinnie, secretary.

Working behind the scenes during the first semester were Diana Reed, secretary, and Jane McKinnie, vice president.

THE EPHEBIANS, MEMBERS OF A CITY WIDE HONOR SOCIETY, chosen by classmates and faculty are: L. Beckman, M. Muranaka, R. Garcia, J. Van Deest, P. Sturdyvin, K. Sneider, A. Rosenberger, D. Matta, P. Garner, C. Farnon, S. Drummond, D. Duffin. Not shown: Janis Derrough.

ultrasons

Guiding the ULTRASONS through their last semester were Barry Gump, president; Nester Sawchuck, vice president; and Gwen Jackson, secretary. Many activities were planned and enjoyed by the whole class—beach parties, picnics, dances and a trip to Catalina Island. New traditions were started—covered benches on the senior glade, competition for attendance with Poly seniors at the Poly-San Fernando Track Meet, and a plaque with senior class names. The magical year ended with the Senior Dessert, Senior Play, Senior Day, Senior Chapel, Senior Tea, and the ULTRASON prom "Stairway to the Stairs". The future now beckons the ULTRASON class, and they will always remember that here at their Alma Mater they learned: "To Us Belongs Tomorrow."

Gwen Jackson, A-12 Secretary and Nestor Sawchuk, A-12 Vice President, assisted in the leadership of the Ultrasons.

Popular Barry Gump carries on in the fine tradition of strong class presidents.

velsicians

AFTER WEEKS of anxious expectations, the Velsician class triumphantly stormed the Boys' Gym at the traditional Sweater Day Assembly. That evening they were joined by the Ultrasons for several hours of fun and excitement at "Senior Sportsnight." During the following months, the B12's participated in three activities as a group. They visited Disneyland, went to Groman's Chinese Theatre to see "On the Beach," and traveled to Big Pines for a day at the snow.

NEEDLESS TO SAY, the school was in an uproar when 94 per cent of the Velsician class purchased activity cards, thus taking the victory bell from the defeated Ultrasons.

philomathean

tours troy

PHILOMATHEAN, THE SCHOLASTIC HONOR SOCIETY of our school, included a tour of the University of Southern California among its activities this semester. The club visited SC's Physics Building and wind tunnel, looked over the facilities of the campus newspaper, and heard Dr. Frank C. Baxter discuss Shakespeare in an English seminar.

The primary functions of Philomathean Society are to honor students whose academic achievement is high (students are eligible only if they maintain a specified grade average and a high standard of citizenship and participation), and to provide scholarship advice.

THE UPPER DIVISION of Philomathean holds a position of honor at San Fernando High; it recognizes and rewards those with high scholastic achievement.

THE LOWER DIVISION of Philomathean instills in each of its members the feeling of accomplishment and pride needed to succeed in scholastic activity.

ONE OF THE MANY PHILOMATHEAN activities was inviting guest speakers for informal discussions. Here the group is in session listening to a lecture on the controversial subject of socialized medicine.

purdom, cartabruno head whirlwind

JIM PURDOM as editor-in-chief of the fall semester and Leah Cartabruno, as spring semester boss, directed the production of the Whirlwind, San Fernando High's top quality tabloid.

The function of the Whirlwind is to provide enough news and feature material to interest every student on campus in some way. "Strictly Nothing," by Nobody, is a perennial favorite with its satirical humor. "Taboo" is a record column which debuted last fall. Other columns cater to seniors, Spanish-speakers and "rodders."

orange blossom wins ucla award

THE ORANGE BLOSSOM received a certificate of commendation in the High School Yearbook division of the Journalism Day contest held at UCLA last fall. This honor placed San Fernando's 1959 edition of the book among the 10 most praised "annuals" in the State. Last year's editors were Joan Koch and Terry Skjervheim.

The 1960 edition of Orange Blossom, "Eyewitness To A Year," is distinguished by many innovations in style and format. The introduction of a new paper and hard cover, the adaptation of a news style of title, and the exciting use of color, texture, and design make this book unusual and, we hope, interesting. We have attempted to achieve through the use of these forms and the construction of a striking organizational theme a book which would be an effective piece of design as well as a pictorial souvenir of high school life.

language clubs stress service

SCHOOL SERVICE was the keynote of this year's language club program. The clubs—primarily organizations for study and social activity—have conducted such projects as campus clean-up and paper drives with great success. They have also presented distinguished speakers at meetings open to all interested members of the student body.

There are five language clubs functioning at San Fernando High with the addition this year of the Imperatores, Junior Latin Club. The others are: Los Conquistadores, Le Cercle Francais, Le Petit Cercle Francais, and Trojans.

...classes develop skills

ALTHOUGH A STUDENT rarely masters a language during his high school years, San Fernando High School offers him a valuable background in one of three — Spanish, French, and Latin. Such a background not only prepares him for future study of the language, but trains him in skills fundamental to all human communication. The study of a new language enriches a student's vocabulary and strengthens his control of his native tongue.

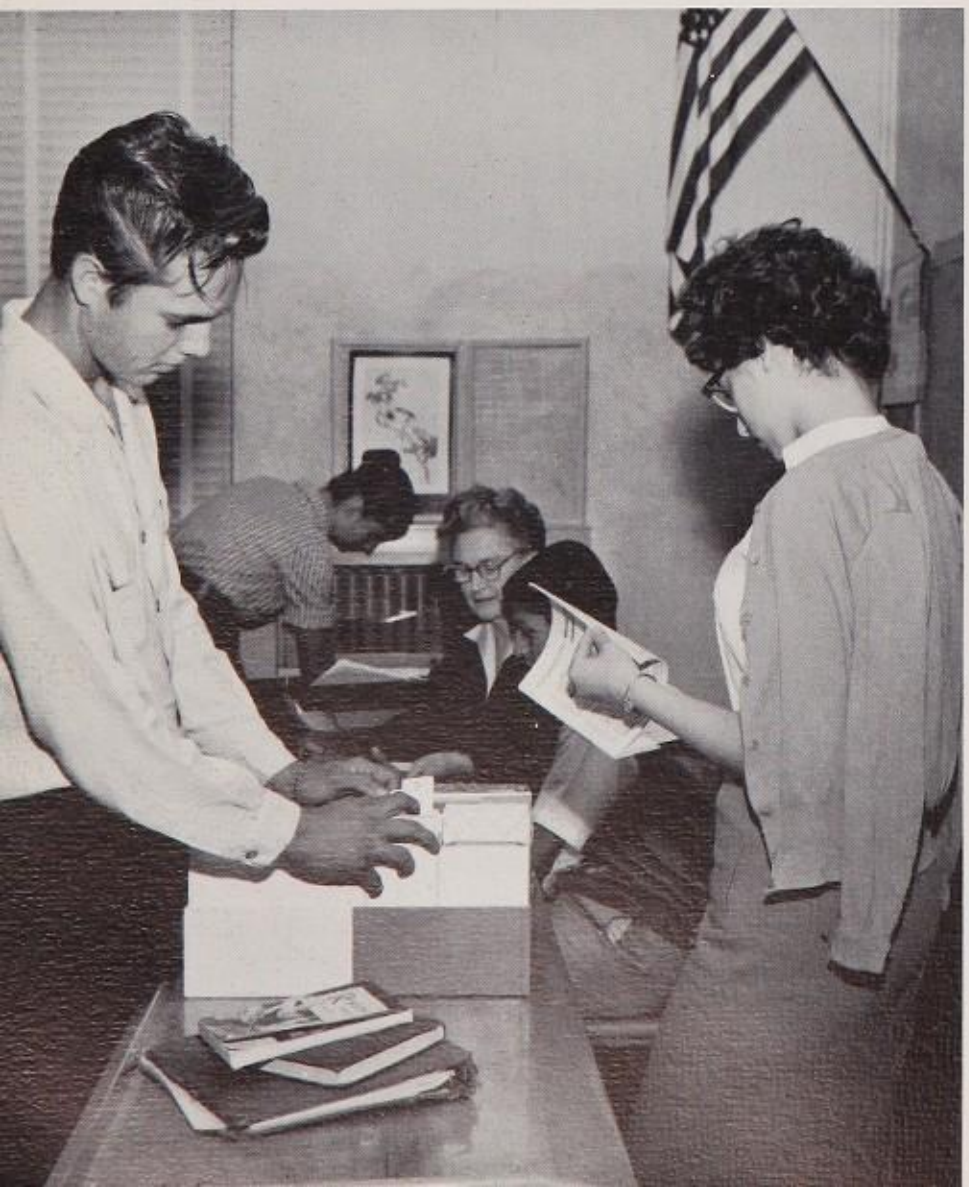
english classes have many aims

THERE ARE MANY ENGLISH CLASSES at San Fernando, each serving a different purpose. The general English classes teach basic language skills. English, American, and Modern Literature classes familiarize the student with significant pieces of writing. Advanced Composition, Reading Skills, and Journalism classes train the student in specific skills. By wise selection from these courses, a student may greatly improve his ability to communicate and comprehend.

READING SKILLS class increases reading speed, improves understanding.



MRS. HECHT'S A10 English class studies literature as well as grammar.

BOTH HISTORY AND GOVERNMENT are vital parts of our academic education at San Fernando. Left is shown an informal discussion in a U. S. Government class in which the students are probably discussing a news event of the day. Such discussion along with study of the organization of the government of the United States from the text book provides us with an objective picture of our government in theory and practice, yesterday and today.

THE AMERICAN HISTORY course is divided into two semesters. The first discusses the formation and early years of the United States and the events leading up to the Civil War. The second covers the period from the Civil War to the present.

Together, History and Government classes give us an accurate idea of the place of our nation in the world of today.

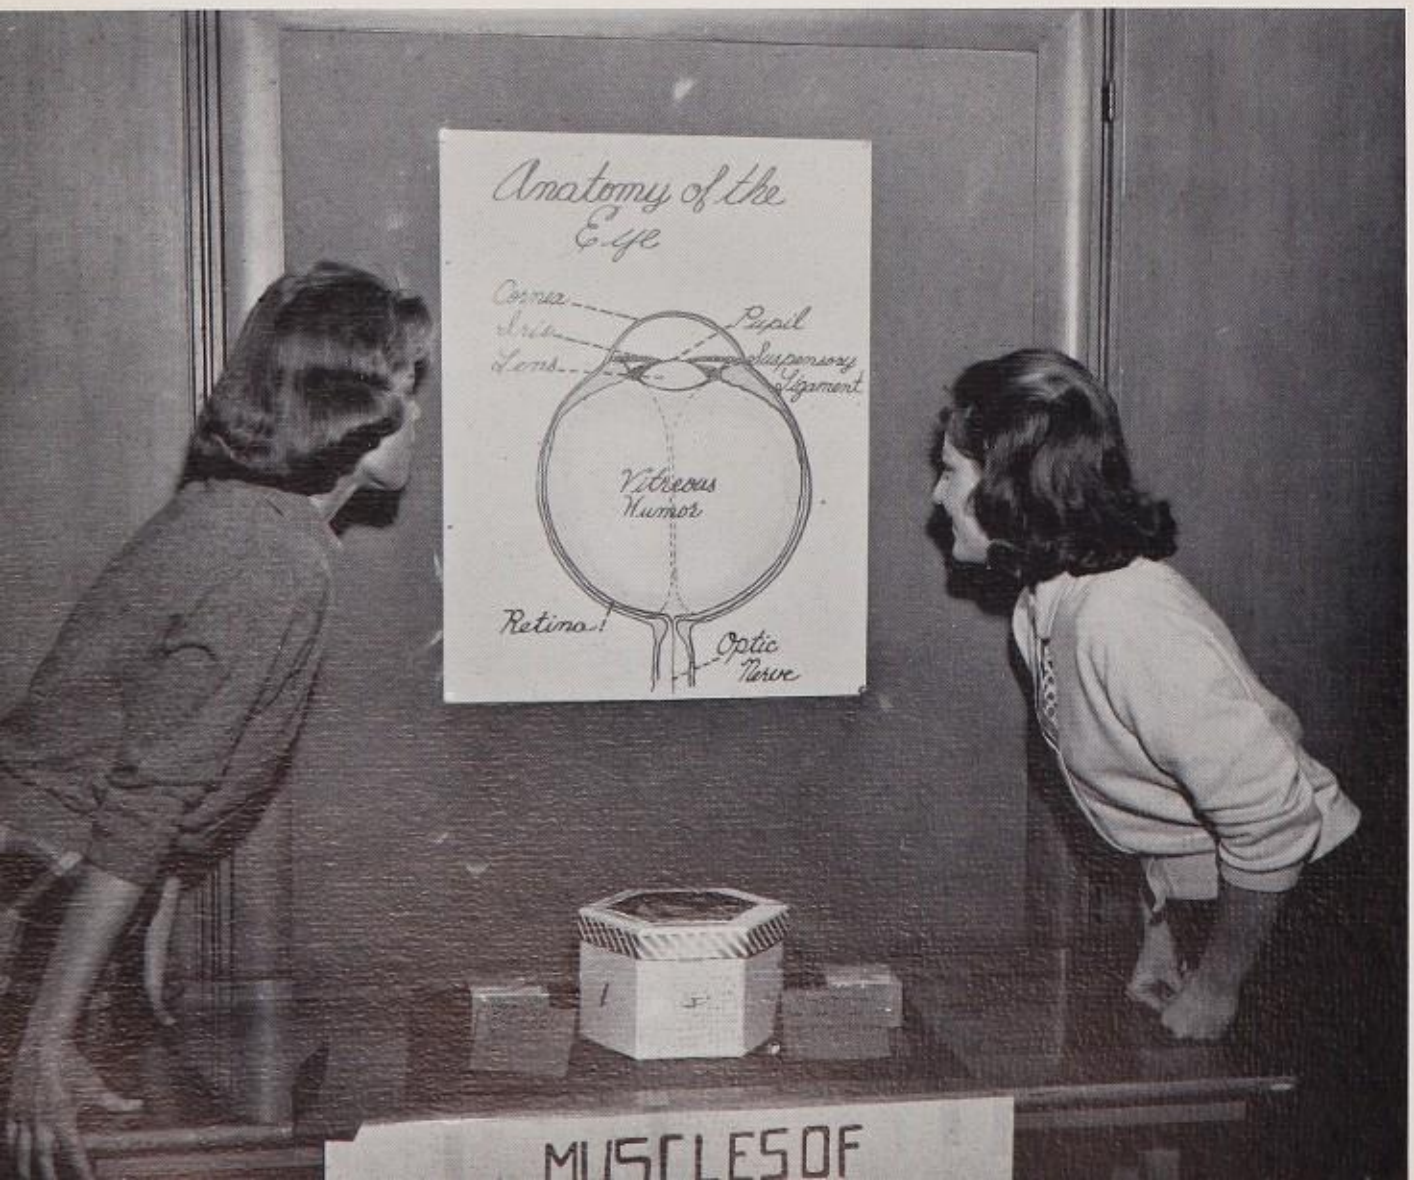
GARY WELCH, first place winner in the physical science competition explains his cloud chamber to Science Fair Visitors.

third annual science fair



SAN FERNANDO HIGH'S Third Annual Science Fair took place March 31 through April 7. The main reasons for holding the Science Fair at San Fernando High are to demonstrate fundamental principles and exhibit projects of interested students. In this way basic scientific ideas are communicated and student accomplishment is rewarded.

Exhibits are presented in two categories: biological and physical sciences. This year fifty dollars in cash prizes were awarded for the winning projects. The winner of the physical science competition was Gary Welch. He exhibited a working model of a cloud chamber. James Yean won the biological science competition with a project showing the effects of temperature on the food consumption of lizards. Second place in the biological division went to Else Kelloggs.

THE CENTRAL PURPOSE of vocational education in our school is to prepare students to enter and advance in chosen job situations. Every student at San Fernando is given a basic background in English, science, mathematics, and the social sciences. In addition, the vocational program gives practical knowledge in most of the actual work areas found in our community. Many of our students obtain experience by working in jobs related to the work in the school. Mrs. Abell, the director of this work program, has the big task of knowing employment possibilities and guiding students to find what they desire and are equipped to do. Many of our vocational students go on to Junior College; some find their places in the regular four year college program.

THE MEMBERS of the Boys' Glee Club blend their voices to entertain our Student Body.

THE SAN FERNANDO HIGH SCHOOL Orchestra tunes up before an assembly in the auditorium.

HERE ON OUR CAMPUS, four musical organizations offer us an opportunity to enjoy their fine performances. The Senior Choir, Girls' Glee Club, Boys' Glee Club and the Orchestra have entertained us at many major assemblies such as the Follies, Christmas Show and the Musical, "Best Foot Forward". Together these musical groups have brought honor and recognition to Tigerville.

The ninety member Senior Choir has given concerts for various civic organizations such as the Chatsworth Women's Club, Rotary Club and Women's Club of the Methodist Church. Other appearances scheduled this year were a radio show and Music Festival. Mrs. Becke, director of the Choir and Boys' Glee, has done much to provide San Fernando High School students with the best in choral entertainment.

A new organization in Tigerville, the Boys' Glee Club has made an auspicious debut; already it has appeared at various civic programs and at local junior high schools.

Accompanying our Glee Clubs and Choir is one of the many activities of the San Fernando High School Orchestra. Directed by Mr. Stewart Aspen, the orchestra has entertained us at assemblies and shows. In addition, the orchestra is proud to have many outstanding soloists among its members.

The Drama Class presents a Senior play each semester in honor of the graduating class. It usually runs five performances in the fall semester and four in the summer semester because of staging differences. In the fall, all performances except the first are open to the public. The opening performance is held immediately after the Senior Supper and exclusively for the Senior class and their sponsors. Mr. Porter, drama director, with patience and understanding, invariably produces a well received performance.

In the fall, the drama class presented "Flight Into Danger." Trying something relatively new in stage blocking, Mr. Porter used "central staging." In this type of presentation, the audience sits on the stage with the performance in the center. This method of staging is enjoyed by the audience as well as the cast because the audience feels they are a part of the show. The cast likes it because of the interchange of feelings between the audience and the cast.

For the summer class, the drama department will present "The Egg and I," a family situation comedy. For this performance, conventional staging will be employed.

During the semester, the drama class does individual monologues and skits. Toward the middle of the summer semester, Mr. Porter casts the class in different one act plays with the students criticizing each other.

Drama is educational as well as a lot of fun; and one thing for sure, things are never dull!

BEST FOOT FORWARD was the first musical comedy to be presented on the San Fernando High School campus. It is a humorous, good natured musical play about many hilarious situations which could easily happen to students away at college.

Dutch, played by Bob Graham, is a tall, good looking teenage boy. He is somewhat conceited, but likeable.

Hunk, played by Chuck Glaus, is the same age as Dutch. He is anything but shy with the girls,

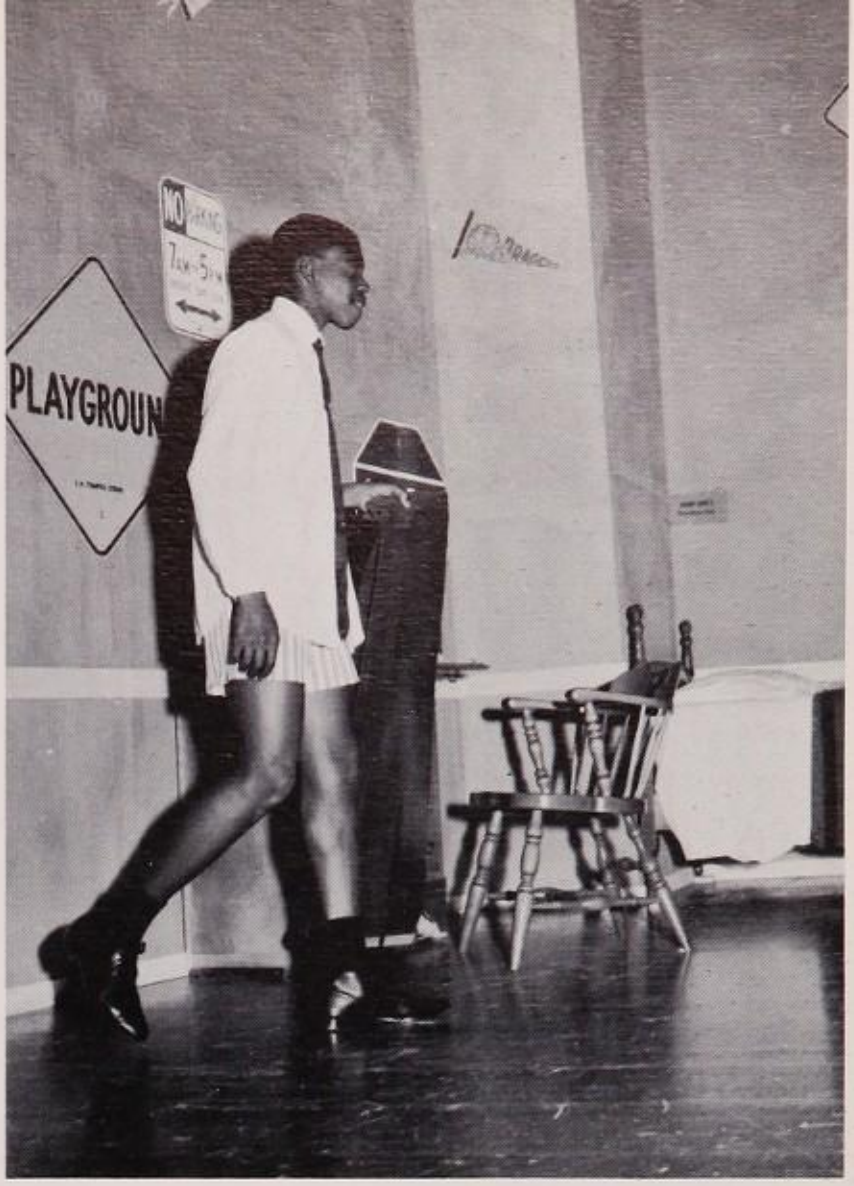
and his clothes are as loud as he is.

Jeanette Tondino gave a lively performance as Gale, a glamorous movie star with typical Hollywood trimmings.

Tigers enacting other leading roles were: Arnold Johnson, Margaret Joplin, Judy Schack, April Hill, Pam Buchanan, Hillary Broadous, and Carlene Smith.

The comedy was presented on two afternoons to the student body, and again at two evening performances for the general public.



HILLARY BROADOUS enters his dorm room with carefully pressed pants and a big grin thinking about the complications caused by the visiting movie star.

GAIL JOY, movie star from Hollywood, played by Jeanette Tondino, turns on the charm as she chats intimately with college boy, Hunk Hoyt, played by Chuck Glaus. Gail's manager, played by Dave Stallard looks on with that commercial glint in his eyes.

A realistic backdrop of Times Square created by the stage crew provided a striking setting for the WINTER '60 FOLLIES. Presented as a tour of New York, it had as its first number, "Skyscraper Fantasy." Six other production numbers, created by Mrs. Redding's modern dancers followed. Costumes for the dancers were made by Mrs. Shingledecker's costume class, and music was provided by Mr. Aspen and the school orchestra.

Many talented singers were featured in this year's show. Solos went to Margaret Joplin, Bill Prough, William Thedford, April Hill, Babs Cooper, and Romalee Jordine. Pam Buchanan and Kathy Spencer were featured as a duet while Andrae Crouch, Essie Meal and Sandra Crouch sang as a trio.

M.C.'s Gale Olney and David Strole introduced such individual acts as record pantomimes by Judy Spiva and Leslie Sampling, Gary Hill and Joe Blackie; comedy dances by Jeanette Tondino and Carlene Smith; comedy routines by Ed Wilson and Martha Showalter; dances by Tony Helmer, Ken Northway, and Bill Morgan; and instrumentals by Kathy Cartwright and Mary Lou Fife.

The finale, "Autumn in New York," was performed by the Modern dancers and sung by Bill Prough, who was later joined by the entire cast.

SAN FERNANDO HIGH brought two magnificent Modern Dance numbers to the City Festival at Hollywood High on Friday, March 25. The theme "Kaliedoscope" was followed by our group and others throughout the whole show. A group of forty girls, under the direction of Mrs. Marjorie Redding, presented their numbers, under the one title, "Shadows Plus," to participating dancers and many visitors. The first part of the number was the Prologue from West-Side Story; modern movements and hooded costumes of various colors added to the effect. The second part of the number was presented by twenty-two girls costumed in multicolored chiffon wings. The swirling wings gathered in the center of the stage for the "fall" in the final part of the dance. All girls of the San Fernando High School student body were able to see this beautiful ending when the dance was presented at the school wide Posture Contest.

AT THE ANNUAL LAS TAPATIAS TEA Mrs. Sonnie, sponsor, chats with club members and faculty friends.

las tapatias set citizenship example

LAS TAPATIAS MEMBERS, easily recognized by their red and white colors, are known for good citizenship and high scholastic achievement. The purposes of Las Tapatias are to serve the school by setting a good example of citizenship, character and scholarship, and guiding girls of Latin American ancestry toward these goals. Members, who are chosen by club and faculty vote, must be A-11 or above, of Latin American background, and have above average grades. The high point of their yearly activities is the Cinco de Mayo dance, co-sponsored by Las Tapatias and Los Caballeros.

caballeros is latin honorary

MEMBERS of Los Caballeros and Las Tapitias enjoy themselves in a joint activity in the Social Hall.

LOS CABALLEROS, the honor society for boys of Spanish descent, has gained the lasting respect of students, teachers, and administrators. Members have proven themselves to be of invaluable assistance in the promotion of better understanding among the Spanish speaking students and the faculty. Los Caballeros is dedicated to furthering scholarship and leadership at San Fernando High School.

The activities of the organization are many, but the high point of the year is the presentation of the Cinco de Mayo Dance. This dance, co-sponsored by Las Tapitias, its sister organization, integrates the qualities of Old Mexico with student life.

The club dance, senior problems party, and school dance are all important social events. But nothing tops the Senior Promenade for glamour and excitement. In the following pages we cover all dances held at San Fernando this year. To the glitter and glory of the prom, we devote special attention.

exotic touch in winter prom

"SCHEHERAZADE" was the theme of the Winter 60 prom which was presented to the Saracens by the Ultrasons on January 8. Highlight of the memorable evening was the crowning of Carol Hand as queen and the selection of the princesses, Marlene Sherman and Linda Shibuya. The Seniors danced in an oriental setting of twinkling stars and silhouettes to the music of Marshall Cram and his orchestra.

Holding down the job of Prom Chairman was Janice Derrough. Other committee Chairmen were Bobbie Lawrence and Barry Gump, decorations; Chris Johnson, bid sales; Ginny Kerber, publicity; Margaret Pederson, refreshments; and Karen Deweber, theme.

EARLY ARRIVALS in anticipation of an evening long to be remembered, were Pam Sturdyvin, Ray Ammunson, Jane McKinney, Mike Flemming, Ginger Reynolds and Dick Casper.

THE GRAND MARCH to select the queen was the exciting climax of a wonderful prom.

yule dance big success

"MOONLIGHT AND MISTLETOE" was the theme for San Fernando's annual semi-formal Christmas Dance sponsored, this year, by the eleventh graders. The Karl Jaeger Band was on hand to set the students in a holiday mood with Christmas music.

The gym was decorated with crepe paper strips coming together in the center of the room to meet a large red bow. The walls were decorated with vines of mistletoe and tin snowflakes. In the small gym, where cokes were sold, was a large decorated Christmas tree. General chairmen Nancy Endow and April Hill stated that the big attendance at this dance made it one of the most outstanding events of the year.

Genial Mr. Stevens was often on hand for these informal affairs.

SOX HOPS, noon jam sessions, and informal dances in general, had a big following during the year. Seniors, in particular, will not soon forget the gay decorations and lively atmosphere at the Senior Problems class dances.

"dog patchers" have heyday

ALMOST 1000 STUDENTS flocked to the small gyms to attend this year's Sadie Hawkins Dance. The theme was "dog patch" with the girls inviting the boys. Highlighting the evening were mock marriage ceremonies complete with Marryin' Sam. Music for dancing was provided by Al Harding's Band.

carnival spirit at mardi gras

THIS YEAR'S Mardi Gras was, as always, the most colorful dance of the year. Sponsored by Le Circle Francais, it featured dancing in the traditional carnival atmosphere. Highlighting the evening was the selection of a King and Queen to reign over the festivities. Chosen were Mercy Ortez of Las Tapitas and Arnold Durazo of Los Caballeros. Students wearing a wide variety of costumes spent the evening dancing to the music of Al Harding and his band.

holiday mood at cinco de mayo

FROM 8:30 TO 11:30 ON MAY 6, the two small gyms sparkled with bright decorations and smiles. This was the Cinco de Mayo festival, celebrating Mexican Independence. Members of the Tapatias and Cabelleros danced the Raspa, Corridos and Pasodoble. The less talented did more conventional steps, but had just as much fun. Music was provided by Sal Cinco's band.

"MELANCHOLY DREAMS," the theme of the Aloha Dance given to the Saracens by the Student Government on January 22, 1960, was carried out with Persian melon and white decoration with large white lilies decorating the walls. Heading the planning committee for this unforgetable event was Sue Drummond.

TWINKLING STARS and soft blue lights serve to make "Stairway to the Stars," the Ultrason's prom, one of Tigerville's most memorable occasions. On this magic evening, couples whirled about a spiral staircase which led into a mystic sky filled with glitter. They danced to the music of Marshall Cram and his band.

Presented by the Velsicians, the prom was held May 27th in the Boys' Gymnasium. Judy Kavara was general chairman for the event, and Judy York and Bob Palmer were in charge of Decorations.

Beautiful prom queen, Karen Deweber was cheerleader and Layde. At the same time she was proclaimed queen her engagement to Jim Chini, a former San Fernando High Yell King, was announced. Princesses chosen for the evening were Gwen Jackson and Bobbie Lawrence.

letter clubs reward athletic achievement

THE LETTERMEN, led by Dennis Johansen, and the Lettergirls led by Ann Rosenberger carried out their fine traditions of fostering the athletic program and contributing to the bettering of campus life. Sponsors of the organizations were Coach Lozano and Mrs. Redding.

Prominent in campus activities, these groups worked with the Student Service organization on such problems as smoking on campus, breaking rules at brunch and lunch, and littering of the school grounds.

A Mother-daughter banquet for the girls and a recognition banquet for the boys were high points in the year's activities. Some combined activities included athletic contests, picnics, a sports night, and selling refreshments at the home football games. The girls had a major project of making up Christmas baskets for the needy of our community.

ORANGES AND SMILES at the end of a victorious game.

A SPIRITED BENGAL VARSITY met the expectations of pre-season predictions by finishing the league contest in third place, a striking improvement over our sixth place of last year.

Considering Verdugo had been predicted to capture the Northern League Championship, the Tigers did well. The Bengals began their non-league season losing to the Verdugo Dons 13-6.

In a hard fought battle that kept the stands rocking, San Fernando met the Monroe Vikings. After 48 exciting minutes, the Viking varsity won, 20-7.

Birmingham then came to San Fernando to battle the Tigers in the annual Milk Bowl contest. The Braves came up with the top score, 13 over 6 for 'Fernando.

The following Friday saw a new Tiger eleven out on the field. Determined to win the last non-league game of the season, the Bengals downed Cleveland with a rousing 34-10 victory.

San Fernando found the battle against Polytechnic a little tougher. Even with a lot of spirit, the Tigers came out on the short end of this first league game.

The next week a determined Bengal squad met Grant on the Generals' field. It was an overwhelming victory for 'Fernando.

In the fight against our arch rival, Van Nuys, the San Fernando Tigers, no matter how they tried, were unable to enter the Wolves' end zone. At the gun, the Wolves were ahead by a score of 20-0.

The last game of the season left San Fernando jubilant after breaking a five year jinx. The Tigers finally scored against the North Hollywood Huskies, beating them 14-13. This finished up the 1959 football season with the Tigers in third place with a .500 league record.

The spirited Tiger varsity is to be very highly commended. Four key players sparked the team to this record. They were Carl Randle, Dennis Johansen, Jim Harrington, and Riley Elwood.

b squad ties wolves in tough tilt

FOR THE B TEAM, this year was a time of re-building. Next year's Tiger team should be rated as one of the best in the East Valley League. All but eight of the fifty-odd players will be back. One of the upsets of the year was when our B's tied the strong Van Nuys Wolves.

THE SAN FERNANDO TIGER varsity basketball team finished a spirited season in fourth place after a great show of teamwork and desire to win.

Coach Vinnie Seekins' short but spirited varsity squad lost some very close ones. With only one returning letterman, Chuck Darrow, the cagers won only two games but came mighty close to the giant North Hollywood team, 2nd in city. Darrow was elected to team captainship; he is second highest point-scorer in the Valley. Ranking next is Pat Garner, A12, who played center. Rounding out the first string five were Nick Soteros, Dick Ashmore and Jim Heath.

league titles taken by b's and c's

With seven wins and only one defeat, the San Fernando High B team placed first in the East Valley B league. In the final game, the Tiger cagers defeated North Hollywood 45-34 for the championship. The team selected Larry DeWaay as captain and Ken Peters as the most valuable player.

The victorious C team was undefeated this season in conference play with a record of eight wins and no defeats. With the coaching and encouragement of Kent Smith the C's placed first in East Valley League competition. The climax of the season was when the team played Grant in the second round and overcame a 10 point deficit to win by 1 point, 25-26. Arnold Johnson was elected captain and Jerry Russell was voted most valuable player by the team.

are again league champs

AL ARPS AGAIN COACHED his fine Cross Country teams to sweep all three divisions of the newly formed East Valley League. The triumphant Tigers qualified all three teams for the city finals. The Bengals also went on to place sixth in Varsity, first in Junior Varsity and third in tenth grade city finals. An outstanding credit to the Cross Country team is Ray DeLaCruz, a Jr. Varsity team member who broke all L. A. City records in all divisions at the city finals. Others who led the teams to their many victories were Jim Blair, Ron Acuna and T. Aguliar.

varsity track anticipates league championship

OUR HUSTLING highly spirited varsity track team is predicted to capture first place in the final league standings. As this book goes to press, with the season not half over, the team is undefeated and hope is high. This year's team is led by Carl Randle, Dennis Johansson, Jim Blair, Sammy Nay, Mike Tisdale, and Jim Taylor.

Among the many impressive victories of the season were the Poly Relays where Tiger trackmen made a shambles of the record book. Mike Tisdale set the pattern by breaking the record for the 180 low hurdle run of 19.6. More than ten major trophies and medals were brought home. Victories like this led even the most pessimistic to predict that our team would win the valley championship. At this point in the season, the varsity has had victories over Poly and Grant and no defeats.

Our B and C teams are proving to have an equally successful season with Duane Green, Odis Gentry, Garry Lehman, and Walter Bell forming a nucleus of hardworking juniors.

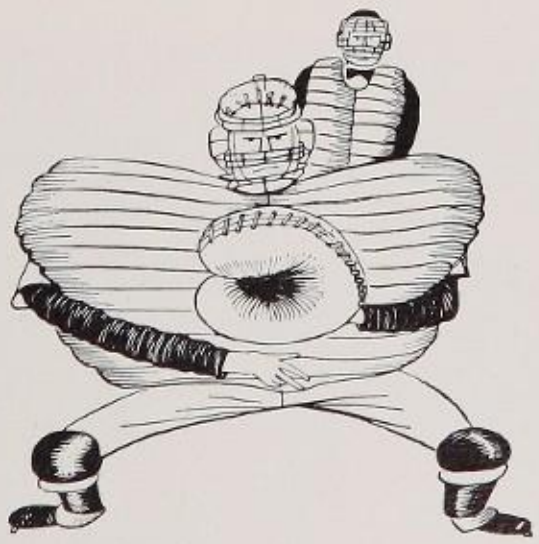
sackers radiate confidence

COMPLICATING pennant chances for the other East Valley High Schools, the Bengals are looking forward to a winning baseball season, and possibly the valley championship.

At the present time the Golden Tigers have hit and pitched their way to the top of the East Valley League. In the first pre-season play the Tigers, Jerry Stonecipher and Bill Hough joined forces to pitch a no hitter against Verdugo Hills. The following Thursday the Tigers dropped a close one to Reseda, 4-5. After their first set-back in pre-season play they roared back to knock off Cleveland, 5-0 and Birmingham 3-2. Coming off a string of two wins the Tigers were up for their next game, Jordan. Jordan proved to be a little better in the clutch plays and took the game 6-5.

The Tigers started League play by blasting Poly 8-3 and edging Grant in a thrilling pitching contest, 1-0.



The ten top batmen for the Tigers this season whose ultimate goal is to seek revenge for last year's losses are: Jack Hiatt, catcher; Bill Hough and Jerry Stonecipher, pitchers; Harry Lawing, shortstop; Arthur Valenzuela, first base; John Barker, second base; Bobby Mitchell, third base; Jim Weisneth, Dave Guzman, and Ruben Calazada, outfielders.

After seven games San Fernando is considered by many to be the best balanced team in the city. San Fernando should take first in the East Valley League and possibly second or third in the Dorsey Tournament.

j. v.'s have strong roster

"THERE IS a great deal of interest in baseball at this school," says Mr. Lozano, J. V. baseball coach. Out of approximately one hundred forty boys who first reported for baseball try outs, twenty-five survived the competition to make up our J. V. team. Starting pitcher and catcher this season were returning lettermen, Dennis Norman and Chuck Montague. Other returning lettermen were Wilbur Garrett and Billy Williams. At this writing the J. V. 's record is one and one. The team was defeated by a narrow margin in its contest with Poly and slaughtered Grant 19 to 3.

tennis and golf popular with many

BECAUSE of the enthusiasm generated by Coaches Arps and Lewis, golf and tennis teams have big rosters. As this book goes to press, little can be said about the season records, but talking to team members points up the fact that these individual sports are really enjoyed.

GOLF TEAM: ROW 1: T. Schmidt, T. Bratcher, J. Campochiano, B. Schmidt, B. Ball, B. Lewis. ROW 2: R. Cooper, L. Camp, D. Jones, G. Ludwig, Coach Lewis, J. Heaslip, E. McFadden, Wallen.

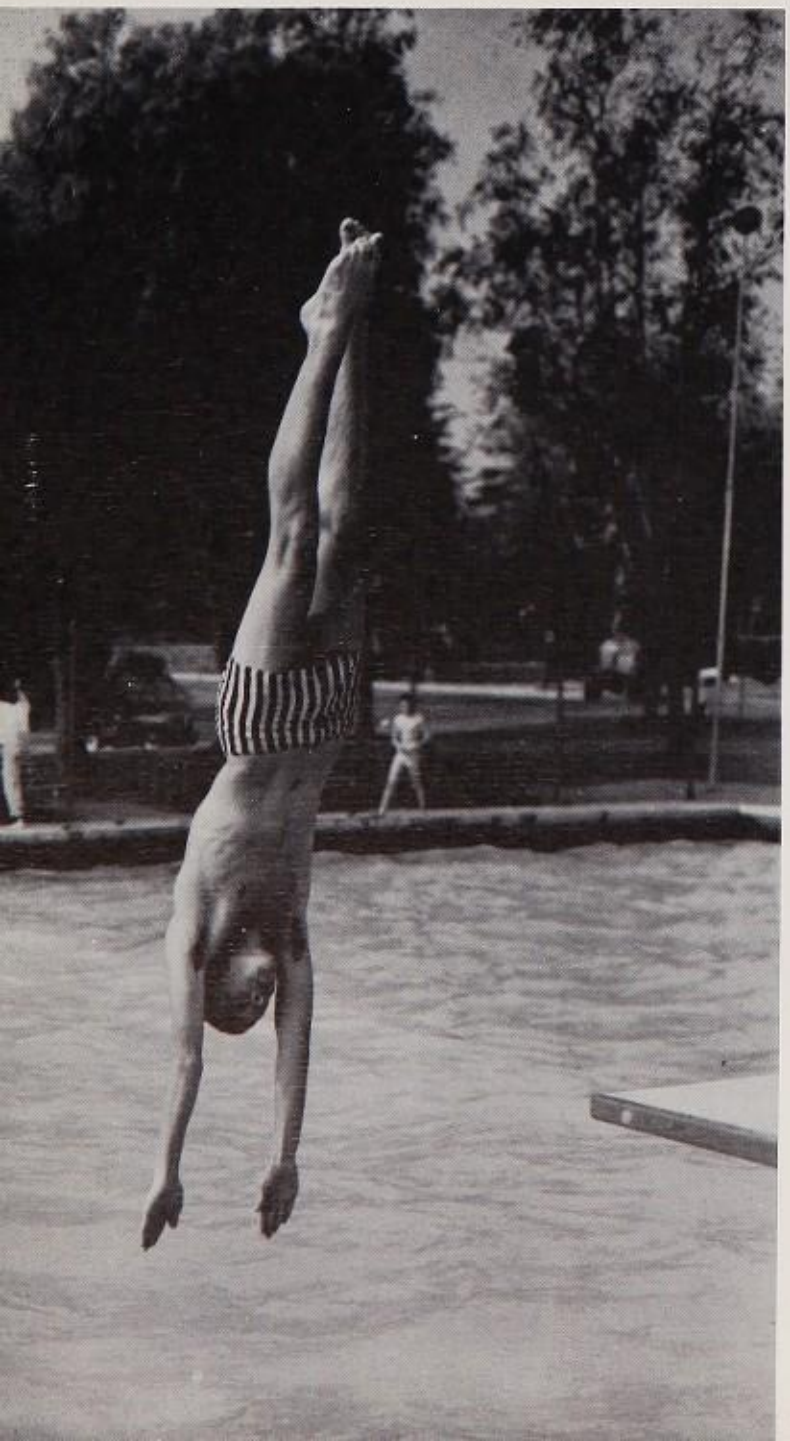
swim team has many returning veterans

THE SWIM TEAM, strengthened by many returning veterans of our first season, shows promise of faring far better than last season. Under the guidance of Coach Boone and with such potentials as Ron Smith, Dave Matta, Kirk Kenedy and Bob Witenberg, on Varsity; Joe Mehn and Mike and Gary Aldrich, on the B's; the team is expected to place high in our new East Valley League.



GYMNASTICS TEAM: ROW 1: Coach Schack, N. Savo, A. Duran, M. Weiss, J. Littlefield, W. Frandsen, L. Hoenig, J. Pimental, R. Grider, E. Levin. ROW 2: W. Rowland, J. Altamirano, B. Sertic, J. Potter, J. bright outlook for gymnasts

AS THE SUMMER athletic season progressed, the outlook grew brighter for the gymnasts. In the rope climb both Averiil Strasser and Spencer Takaki seemed to have a chance for East Valley finals. Showing excellent skill on the rings, according to Coach Schack, were Ward Rowland, Joe Pemintal and Gil Fike. A number of less experienced boys have been showing fine form. At this writing, the outlook is good.

seniors say farewell

ARE THEY tears of joy, or are they tears of sadness? Probably, they are both. We are all proud of reaching the summit of our high school education. But we view these last days at San Fernando with mixed emotions. When will we again see those friends who have meant so much to us for three years? Perhaps never. When will we again sit in the senior glade and gulp down a sandwich before running off to a meeting. Certainly, not again. Mixed emotions. Tears of joy, tears of sorrow.

AWARDS TO OUR SENIORS may be divided into three classes: those presented by the school itself, those given by service or community organizations, and those awarded by state and national groups.

San Fernando High honors the students with the highest grade-point averages by presenting them at graduation as the valedictorians and salutatorians of their class. Also, the seniors and faculty select one student from each forty in the graduating class to be made members of the state-wide Ephebian Society.

We are fortunate in living in a community with many active service clubs. Through the years many of them have awarded medals and cash

prizes to achievers in over-all categories and specific fields.

By testing or evaluation of academic and activity records, national organizations such as the Bank of America and the National Merit Scholarship Corporation select several students each year to be honored and rewarded for their accomplishment and promise.

As a result of the late selection of several of the award winners, we regret to say that our deadline has necessitated their omission. These pages contain, however, the photos of all possible students honored by the three-fold awards program at this school.

WINNERS in the annual typing contest are Donna Robbie, Beverly Claussen, Carol Minden, Priscilla Anderson, and Janette Holgrem.

MARY AVAKIAN, Saracen, is presented with the Nina Brown scholarship candidate's award by Miss Morris.

MRS. YOFFEE beams at Kathy Easton, Saracen, who captured the awards for both Music and Journalism.

WITH 4.0 AVERAGES for three years, Esta Everakes and Mary Muranaka proved it could be done. Esta also honored San Fernando by placing first in the Regional Competition of the Bank of America in Vocational Arts. Mary won the approval of her friends and teachers by being elected an Ephebian.

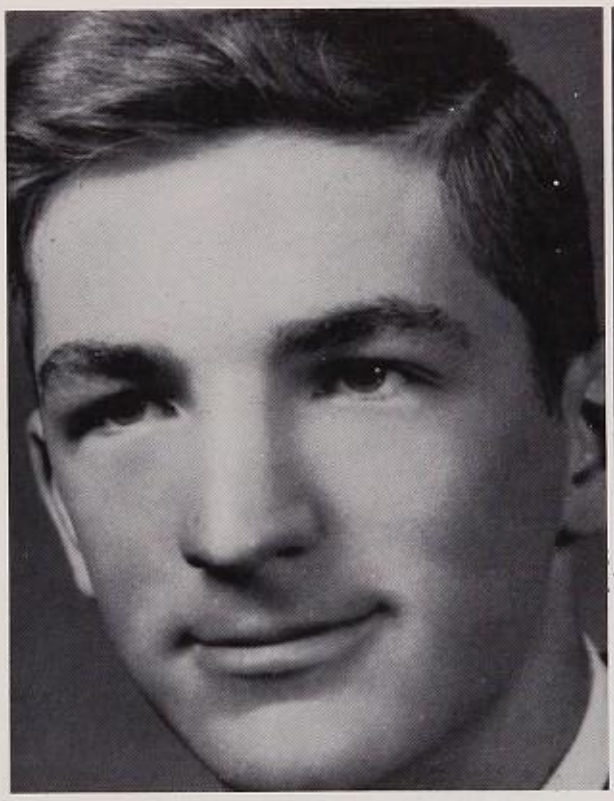
Winners of private scholarships are: Keith Snyder, far right, Stanford College; Stewart Kiritz, far left, Amherst College; Dave Matta, Tulane University. Recipients of State Scholarships are Russell Merris, Harvey Mudd College; Dennis Duffin, Occidental College; Gary Welch, Harvey Mudd College. Lauren Exter (not shown) will also attend Harvey Mudd College on a State Scholarship.

Popular all-around athlete, Carl Randle, was the recipient of the Lions-Millen Sports Award; for distinguished and unselfish service in the field of music, Gerald Pipho won the Rotary Award.

The Zonta Club Nursing Award went to Bonnie Davis; Marie Fagan was named the Betty Crocker Homemaker of tomorrow.

Journalism Awards: Margaret Pederson whose work as Business Manager of the yearbook brought an unprecedented $2,000 worth of ads was named number one Orange Blossom; Jim Purdom, first semester Editor, was the recipient of the Whirlwind Award.

Exchange students on the AFS program were Keith Snyder, Germany, '59; Karen Nicholson, Philippines, '60; Stewart Kiritz, Norway, '59; Sonny Zaharia, from Indonesia, '60.



We are proud that our Editor, Stewart Kiritz, was honored with the California Savings and Loan's "Outstanding Student of the Senior Class" Award. Coveted Senior Service Award went to gracious, enthusiastic, and hard working Lynn Beckman.

Jeanne Pelote is the proud possessor of a Nursing Scholarship provided by the Valley Woman's Auxiliary to Los Angeles County Medical Association; Keith Snyder was honored by the B'nai B'rith Service Award; and Jeri Van Deest, for outstanding youthful citizenship was given the D.A.R. Award.

SARACEN CHAPEL SPEAKERS were Dwight Miller, Ann Barr, Bill Burwell, Kathy Easton, Gary Oldham, Veronica Wickman, Walt Laskey, Susan Gill and Fred Shack.

THE SENIOR YEAR draws to a close. We arrive at the summit of our high school education—graduation week with the excitement of Senior Chapel, Tea and commencement. Outstanding students from the graduating classes (such as Veronica Wickman, lower left) provide inspirational messages at Chapel which each semester strengthens the ties of classmates before graduation day.

The senior tea is held in the School Cafeteria, attractively decorated for the occasion, where refreshments are served. Members of the senior class proudly present their parents and bid farewell to faculty friends in anticipation of graduation week.

in memory

When Richard Valenzuela first came to our school, he was more than just another B-10. Playing at assemblies, class parties, noon dances, made him popular with the entire school. As his talent was noticed by more and more people, he became the professional singer, Ritchie Valens. Although he never became a senior, nor wore the Ultrason sweater, we, the Ultrasons of Summer '60, would like to dedicate this page in memory of a guy whom we are proud to have had in our class.

a final reflection...

Fondly turning the pages of this book, a book of which we are very proud, we are made aware of the scores of people responsible for its fine quality and novel design. Special thanks are in order for the work of Mary Avakian, fall associate editor; Terri Cunliffe, spring associate editor; and Jerri Van Deest, editor of the senior section. To Margaret Pederson, business manager for the year; Mr. Coyne, Mr. Hylton, and their many students of the art department; and Mr. Martin and his staff at the business office, we extend our congratulations for the outstanding sales record set this year.

Again proving the exceptional quality of their artistry were Mr. and Mrs. Auburn Graves, official school photographers, and Mr. Doepke, contributing photogragher. Mr. James Powell, representative of Mirro-Graphic Publishers of Glendale, has given much assistance by lending a tasteful hand many times.

Note: As this book was about to go to press, we learned of the tragic automobile accident in which a former member of our staff, Dorothy Bradbury, was killed. Since this is the last page of our book to go to press, we can only say to the family and friends of Dorothy that she was a valued staff associate and a cherished friend. Her faculty and student friends will not soon forget her fine contributions to our student life.

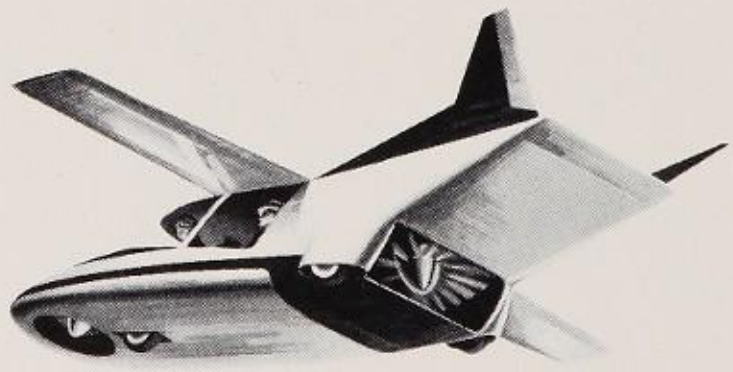
CONGRATULATIONS TO THE CLASS OF '60

Learning covers an entire life span, but your formal education is always considered as a personal investment to a successful future. Your education will be ever more important as industry gears itself for the space age. Your future and ours depend on the highly skilled and highly educated men and women of today.

Facing the challenge of advancing the technology of today is up to you. For those who continue their education and can qualify, there is a great future in the many fields related to space age work at Lockheed.

Air/space travel, whether the vehicle is manned or unmanned, poses vast problems. To expand the total technology of flight, Lockheed's California Division proposes bold new concepts for both military and commercial vehicles. In line with this, the Company has assumed major responsibility for research and development on future space vehicles. This responsibility extends from development of advanced components to major complex systems.



As a leader in engineering and manufacturing of air/space vehicles and other products, Lockheed's project diversification calls for technical skills at all levels. Many individuals with varying levels of education have found promising *career* positions at Lockheed.

When you think of your future, think of Lockheed.

Dear Debbie

Well another year of skool has come to an end for us. And again it will be hard to say good-by like it always has. For me I will be saying good-by to the two people I love most you + a certain senior. I think we have been closer this year than ever before in our lives. When I am out there + alone some night I'll remember your surprise party + the night you got your ring from the guy you love. And I'll also Remember my wonderful suprise party to. How could I ever forget the cake + candels. But now Debbie, its time to say farewell. Not to all our happy times, for there will be alot more of them. And certainly not to our friendship I think that will go on ever after we have died. The Only thing that is good-by is our presence walk, letters, + flights. But some fall, although in a different place we will have these again.

God Bless you Kody,
I'll think of you often.
Love your friend
Ginger
